### *Management's Responsibility for the Financial Statements*

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### *Auditors' Responsibility*

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Board of Directors

## Notes to Financial Statements

June 30, 2018 and 2017

1. NATURE OF ORGANIZATION:

Arete Scholars Fund, Inc. (Arete) was incorporated in June 2010, for the purpose of helping economically disadvantaged children discover and use their unique gifts and talents through educational opportunity. Arete accomplishes this by providing K-12 scholarships to low-income families, enabling their children to reach their highest potential. Arete is a non-profit organization as defined in section 501(c)(3) of the Internal Revenue Code (Code) and not a private foundation as defined in section 509 of the Code. The primary source of funding is contributions received from the general public, including individuals and corporations.

Arete operates as a Georgia Student Scholarship Organization (SSO). The state of Georgia has approved the existence of SSOs for the purpose of providing student scholarships to parents that will help cover the cost of a private school education for their children in the state of Georgia. Georgia taxpayers (individuals and corporations) are able to make contributions to SSOs and receive a dollar for dollar tax credit, within limits prescribed by the law, against their Georgia state income tax liability. An approved SSO can take administrative assessments against tax credit contributions received as follows: (a) up to 10% on the first \$1,500,000, (b) up to 7% on the next \$8,500,000, (c) up to 6% on the next \$10,000,000, and (d) up to 5% on all remaining amounts. An approved SSO must designate available amounts to particular students prior to December 31 of the calendar year in which the available amounts were received. As of June 30, 2018 and 2017, Arete was in compliance with these requirements. The following shows this transactional flow:

## Notes to Financial Statements

June 30, 2018 and 2017

### 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

The financial statements have been prepared on the accrual basis of accounting. The significant accounting policies followed are described below to enhance the usefulness of the statements to the reader.

#### ESTIMATES

The preparation of financial statements in conformity with accounting principles generally accepted in the United States requires management to make estimates and assumptions that affect the reported amounts and disclosures at the date of the financial statements. Actual results could differ from those estimates.

#### CASH AND CASH EQUIVALENTS

Cash and cash equivalents consist of cash held in checking, savings, and money market accounts. While Arete maintains cash and cash equivalents in bank deposit accounts which, at times, exceed federally insured limits, it has not experienced any losses in such accounts. Management believes it is not exposed to any significant credit risk on cash and cash equivalents.

#### NET ASSETS

The financial statements report amounts separately by class of net assets:

*Unrestricted* amounts are currently available at the discretion of or designated for specific purposes by the board of directors.

*Temporarily restricted* amounts are contributed with donor stipulations for specific operating purposes or programs, with time restrictions, or not currently available for use until commitments regarding their use have been fulfilled.

#### REVENUES, EXPENSES, AND RECLASSIFICATIONS

Revenue is recognized when earned and support when contributions are made, which may be when cash is received, unconditional promises are made, or ownership of donated assets is transferred to Arete.

Arete reports gifts of cash and other assets as restricted support if they are received with donor stipulations that limit the use of the donated amounts. When a stipulated time restriction ends or purpose restriction is satisfied, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statements of activities as net assets released from restrictions.

During the year ended June 30, 2018, 72% of total contributions were provided by five donors. During the year ended June 30, 2017, 87% of total contributions were provided by six donors. Arete understands the implications of these concentrations.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, continued:

REVENUES, EXPENSES, AND RECLASSIFICATIONS, continued

Expenses are recorded when incurred in accordance with the accrual basis of accounting. The costs of providing various program services and supporting activities have been summarized on a functional basis in the statements of activities. Accordingly, certain costs have been allocated among the program services and supporting activities benefited.

UNCERTAIN TAX POSITIONS

The financial statement effects of a tax position taken or expected to be taken are recognized in the financial statements when it is more likely than not, based on the technical merits, that the position will be sustained upon examination. Interest and penalties, if any, are included in expenses in the statements of activities. As of June 30, 2018, Arete had no uncertain tax positions that qualify for recognition or disclosure in the financial statements.

Arete files information tax returns in the U.S. and the state of Georgia. Arete is generally no longer subject to U.S. federal and state income tax examinations by tax authorities for the years before 2014.

3. OPERATING LEASE:

Arete leases office space under an operating lease agreement on a month to month basis. Monthly rental payments are \$1,200.
