## WHO IS ARETE SCHOLARS?

Arete is a nonprofit that helps economically disadvantaged children reach their highest potential through educational opportunity. Since 2010, Arete has awarded over 7,000 K-12 scholarships to students in 10 states. Scholarships are funded primarily by budget-favorable tax credit and rebate programs.

## IS THIS FOR REAL? A CORPORATION CAN REDIRECT 75% OF ITS STATE TAX LIABILITY TO K-12 EDUCATION?

That's right. The Georgia Tax Credit Scholarship Program allows donors to receive dollar-for-dollar credits for approved contributions to Arete Scholars. In turn, Arete awards need-based K-12 scholarships to Georgia children.

## WHY WOULD GEORGIA DO THIS?

Low-income students historically underperform in comparison to their peers, graduating high school at much lower rates and enjoying fewer career opportunities. Tax credit scholarships change that narrative by granting opportunities proven to help children succeed. Second, the program results in significant savings to the state by setting scholarship amounts lower than per student spending in local schools. Everyone wins when you can obtain improved academic results at a significantly lower cost.

## GIVEN PRIVATE SCHOOL TUITION RATES, IS A \$5,000 SCHOLARSHIP ENOUGH FOR LOW-INCOME FAMILIES?

Yes. In Georgia, the average private school tuition is about \$8,000, and many schools are deeply committed to educating students from all socio-economic backgrounds. A combination of parental contribution and school financial aid can make up any differences.

## WHO ARE YOUR CORPORATE PARTNERS?

More than 30 corporations of all sizes have generously supported our efforts. Some of our larger partners include Walgreens, Equifax, Dollar General, Waste Management, Staples, Gap, Hormel Foods, and the Chick-fil-A Foundation.

## WHO IS ELIGIBLE TO DONATE?

Any corporation or individual that pays Georgia income tax is eligible for a dollar-for-dollar tax credit for qualified donations. A C-corporation may contribute up to 75% of its Georgia state tax liability. Individual owners of S-corporations, LLCs, and partnerships may contribute up to \$10,000 annually.

## HOW DOES THE PROGRAM AFFECT PUBLIC EDUCATION?

Georgia believes that all of its children deserve a great education, whatever schools their parents choose. Understanding that one-size-fits-all solutions are seldom best, the state supports traditional public, private, charter, virtual, and home school options for its students. The program ensures taxpayer savings, and these savings can remain invested in local schools.

## WHAT IS THE PROCESS FOR MAKING A DONATION AND RECEIVING A CREDIT?

Complete the simple, online tax-credit request form – or Arete will do it for you – and then wait to hear from the Georgia Department of Revenue. Approval usually comes within 15 days, and donations must be made within 60 days of approval.
